INTERNATIONAL FRATERNITY**

INTERNATIONAL AWARDS

OVERVIEW, ELIGIBILITY AND QUALIFICATIONS

OVERVIEW

The following is a summary of Pi Kappa Alpha's International Awards program. The complete awards application will be sent to all chapters by March 15th. Applications are due by June 15th.

The awards program enhancements are:

- **The awards program reflects the Fraternity's values.** Successful applicant chapters will demonstrate their incorporation of Pi Kappa Alpha's Vision, Mission and Creed and consideration of the True Pike membership standard.
- **The awards program includes consideration of a chapter's year-end awards score.** This score measures a chapter's proficiency and is the basis for Pi Kappa Alpha's chapter programming.
- **The Robert Adger Smythe Awards are presented in three levels** – *Champion, Legacy* and *Dynasty* – in order to recognize and encourage perennial excellence.
- **The Harvey T. Newell Awards may now be awarded to multiple chapters.** Winning chapters will demonstrate significant overall improvement or perseverance through adversity.

ELIGIBILITY

The eligibility criteria for all awards, *except recognition honors*, are as follows:

1. **The chapter has paid all Fraternity dues, fees and assessments.**
2. **The chapter's charter is in good standing.**
3. **The chapter's awards application has been reviewed and approved by an accredited chapter advisor.**

QUALIFICATIONS

An applying chapter that meets an award's qualifications will not necessarily receive the award. Instead, meeting the qualifications ensures that a chapter will be considered for an award amongst other qualifiers.

Many awards include an awards score as a qualifier. Awards qualifier scores will be calculated by the Fraternity's awards committee via the awards application – not from chapter consultant visits. The Chapter Visitation Analysis score provided to a chapter during its annual chapter consultant visit does not “qualify” or “disqualify” a chapter, it merely provides a snapshot of that chapter's performance during the time of the visit.

For more information about the Fraternity's International Awards program, please contact the Director of Chapter Services at the Memorial Headquarters or visit www.pikes.org.

THE ROBERT ADGER SMYTHE AWARDS

The Robert Adger Smythe Awards recognize overall chapter superiority and prominence. The chapters that win this award are tops on their campus and the “best of the best” amongst all of Pi Kappa Alpha. The qualifications for this award are as follows:

THE RAYMOND L. ORIAN'S CHAPTER EXCELLENCE AWARDS

2. An accredited chapter advisor
3. A separate written description – not to exceed 500 words – of the chapter's improvement and/or perseverance during the past academic year.

THE CHAPTER PROGRAMMING AWARDS

The Chapter Programming Awards recognize chapters for excellence in specific areas of chapter programming, sixteen areas in total. To qualify, chapters must score a year-end awards score of at least a 3.5 (out of 4.0) in the award category. Multiple winners may be awarded in each category.

The questions that follow are taken from the Chapter Consultant Visitation document (available at www.PIKES.org). The awards application will focus on these same questions. In order to be considered for an award, applicant chapters should demonstrate how they have successfully addressed each component.
