

PI KAPPA ALPHA FOUNDATION

Raising Funds to Educate and Empower Principled Leaders

2019 UIFI Scholarship

Sponsored by Pi Kappa Alpha and PIKE Foundation

DEADLINE: April 1, 2019 - no exceptions

UIFI

The Undergraduate Interfraternity Institute is a principle-centered leadership program created and run by the North American Interfraternity Conference (NIC). UIFI is a living and learning experience. Fraternity and sorority leaders from North America come together for four intense days of interaction and leadership development, team building, understanding the values of Greek life, creative thinking, group dynamics, conflict management, community service, priority-setting, coalition building, and confrontation facilitating change. Participants are challenged with issues facing today's Greek leader and are empowered to develop strategies for change to be implemented on their campus and within their organizations.

All UIFI sessions are held at *Indiana University in Bloomington*. Pi Kappa Alpha's UIFI scholarship helps defray the total registration cost, which includes all educational materials, lodging and meal costs. Transportation to and from Bloomington is the responsibility of each participant, though many universities assist their students who attend. UIFI awards are made possible by generous donations from past UIFI facilitators and attendees.
